

April 25, 2018 Meeting of the Board

1. Convening of the Board – President Rettig

Meeting called to order at 10:31 a.m.

Calling of the Roll

Members present: Marcella Boyd Cox, Edward Nurre, Jon Rettig, Adriana Sfalcin, Thomas Taneff and William Wappner.

Mr. Jon Rettig announced that Ms. Jill Pugh was absent. He added that her absence today was known in advance and thus excused. Mr. Rettig stated for the record a quorum of the board was present.

Pledge of Allegiance

“I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.”

Introduction of Adriana Sfalcin, Public Board Member

Mr. Jon Rettig introduced Ms. Adriana Sfalcin as the newest member of the board. Ms. Sfalcin was appointed by Ohio Governor John R. Kasich to the unoccupied position of public member at least sixty years of age for a term beginning March 28, 2018, and ending June 30, 2020. Mr. Rettig welcomed Ms. Sfalcin to the Board.

Ms. Sfalcin thanked Mr. Rettig for his introduction and shared her enthusiasm in joining the board. Ms. Sfalcin informed that she was born and raised in Columbus, Ohio. After graduating college, she continued to reside and develop her career in central Ohio. Ms. Sfalcin is a past board member of the Accountancy Board of Ohio and the Ohio Business Gateway Steering Committee, a former executive vice president and chief operating officer for The Ohio Council of Retail Merchants, and lobbyist for Mid-America Jewelers Association.

Mr. Rettig shared an observation on the current assembly of the board. Mr. Rettig believed that this is the first-time in the history of the board that three women will serve concurrently as board members.

Recognize Apprentices

During apprenticeship, apprentices are required to complete assignments published to their corresponding apprenticeship task list. One of the tasks cataloged, as an additional training requirement, is to attend one state board monthly meeting. This new task was established by the Board July 26, 2016 for one-year apprentices that started their apprenticeship February 1, 2016 or beyond; and for two-year apprentices that started their apprenticeship February 1, 2015 or beyond.

The Board would like the opportunity to recognize apprentices in attendance of the meeting who are fulfilling this requirement.

Mr. Jon Rettig welcomed all apprentices in attendance of the meeting and requested each person to stand and state their name so all may hear. In attendance were Alaynah Bakosh, Delvaughn Clark, Tyler Dunn, Christian Gaines, Tim Wiseman, and Jamila Woods.

Mr. Rettig informed the apprentices that revisions have been made to the apprentice interviews schedule as a result of Ms. Pugh's absence. He instructed apprentices to inquire with Ms. Linda Clark to confirm the room number they are to report to later.

2. Board Business

Executive Director's Report

Mr. David Ingram read aloud the content of the executive director's report and communicated the following in addition:

- Mr. Ingram welcomed Ms. Adriana Sfalcin to the board. He shared that Ms. Sfalcin has reminded him many times already that he may call her "Adri."
- Mr. Ingram reported that he recently completed and passed the test for certification as a crematory operator. He is awaiting the certificate from the International Cemetery, Cremation and Funeral Association (ICCFA).
- Mr. Ingram reported attending and providing the Commencement Address to graduates of Cincinnati College of Mortuary Science (CCMS) on April 21, 2018.
- Mr. Ingram reported that reporting of preneed contracts into the Automated Reporting Preneed Payment System (ARPPS) for Quarter 4 of 2017 ended April 23. He added that reporting of Quarter 1 of 2018 has begun and the deadline to report is May 31, 2018.

Mr. Jon Rettig asked Mr. Ingram if he knew the number of funeral homes that did not report. Mr. Ingram responded there was still clean-up of zero-filing reporting to be done and does not yet have an accurate number to reply.

- Mr. Ingram reported that thirty (30) funeral homes were discovered to be out of compliance with submitting their annual preneed funeral contract report forms.
- Mr. Ingram reminded all that all paper applications were removed from the board's website on April 06, 2018. He added that all applications are now to be completed online through the new eLicense system.
- Mr. Ingram thanked the board staff for working through the overlapping transitions of ARPPS and eLicense.
- Mr. Ingram announced that new videos will be soon available for view on the subjects of license renewal and submitting a service request to the board office. He reminded all that communications regarding eLicense will continue to be rolled-out to licensees via email.
- Mr. Ingram reminded the board members to file their financial disclosures by May 15, 2018. He informed Ms. Boyd Cox and Ms. Sfalcin that they were excused from reporting at this time.
- Mr. Ingram provided a brief summary of his treasurer's report.

Mr. Rettig asked Mr. William Wappner if he had any questions for Mr. Ingram. Mr. Wappner responded that he no questions on the budget overview.

- Mr. Ingram introduced "Chapel Chats" and reported that more on the subject of the stakeholder outreach program will be coming soon.
- Mr. Ingram reported that projected deadlines on legislative related actions are being met. He highlighted the following:
 1. The Joint Committee on Agency Rule Review (JCARR) approved the board's recent filing of rules – minus proposed rules on direct payment endorsement and excess insurance proceeds – at its meeting held April 16, 2018. The rules will likely be effective May 22, 2018.
 2. Proposed amendments to rules concerning continuing education are awaiting committee approval and a comment period. The proposed rules will then be referred to the Office of Ohio Common Sense Initiative (CSI).

Mr. Jon Rettig stated for the record that he vehemently disagrees with the decision from JCARR to recommend the board withdraw its proposed rules on direct payment endorsement and excess insurance proceeds.

Mr. David Ingram responded that JCARR's explanation for the recommendation was that the board has no authority to promulgate rules on excess funds or endorsements. Regulation by law, not rule, was suggested.

Mr. Rettig commented on the collection of board member photographs displayed in the board office and questioned if photos will be available on the board's website as well.

Mr. Ingram responded that he is near completion of editing biographies and will post the information and photos to the website soon.

Multiple Apprentice Request

Mr. Jon Rettig stated the board office received a written request from Mr. Brian Koch of Conner and Koch Funeral Home of Bellbrook, Ohio to serve as master trainer of more than one apprentice. Mr. Rettig invited Mr. Koch to speak before the Board.

Mr. Koch thanked the Board for the opportunity to appear. Mr. Koch stated that in July 2017, he began serving as master trainer for Mr. Brenden Sweigart for his funeral director only apprenticeship.

In early February 2018, Mr. Koch added another apprentice under his supervision. He began serving as master trainer for Ms. Taylor Stoner for her embalming and funeral director apprenticeships. Weeks into training, Mr. Koch learned that Ms. Stoner's certification (application) to start her funeral director apprenticeship had not been approved at the same time as her certification to start her embalming apprenticeship. He was also informed that the board had not approved him to supervise more than one apprentice at a time.

Mr. Koch apologized for not seeking approval from the board prior to starting Ms. Stoner's embalming and funeral director apprenticeships. He admitted that he simply forgot about the rule. He asked the board for forgiveness and requested permission to oversee both apprentices at the same time. Mr. Koch also petitioned that Ms. Stoner not be penalized for his mistake and requested her training in funeral directing thus far be credited.

Mr. Jon Rettig made a motion for the Board to approve Mr. Koch to serve as master trainer of more than one apprentice.

Prior to discussion, Mr. Rettig explained the board's rule regarding master trainers wanting to serve more than one apprentice at a time.

Ms. Adriana Sfalcin questioned what a funeral director only apprenticeship encompassed. Mr. Koch and Mr. Rettig responded to Ms. Sfalcin with explanation.

Mr. Rettig reminded the board of his motion to approve and asked if there was any further discussion prior to a vote.

Mr. Koch questioned Mr. Rettig if there would be disruption in Ms. Stoner's service time. He restated his desire that her funeral directing training would be credited to the beginning of her embalming apprenticeship in early February. Mr. Rettig recommended his request be discussed separately.

Motion by Jon Rettig, second by Thomas Taneff
Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Mr. Rettig asked Ms. Linda Clark about Ms. Stoner's certification to start her embalming apprenticeship. Ms. Clark explained that her paperwork was incomplete and not presented to the board at the same time as her certification to start her funeral directing apprenticeship. Mr. Rettig affirmed that the board office does not backdate start dates of apprenticeships. Ms. Clark confirmed his statement.

Mr. William Wappner asked Mr. Koch if Ms. Stoner submitted her first quarter reports. Mr. Koch replied that both embalming and funeral directing reports were completed because they believed both apprenticeships started at the same time. And he brought the reports with him to turn in, if allowed.

Mr. Edward Nurre questioned aloud if the board had the ability to approve the time to be credited. Mr. David Ingram responded by stating the board's laws and rules do not provide authority to and recommended not approving the time served.

Mr. Rettig asked Mr. Koch if he understood the Board's position about his request. Mr. Koch replied that he understood. Mr. Rettig thanked Mr. Koch for his appearance before the board and understanding.

Mr. Jon Rettig commented on a recent article printed in the April 23 edition of Ohio Funeral Directors Association's publication Buckeye Director. He remarked that the story was favorable to Executive Director Ingram.

Mr. David Ingram stated there was a request deferred from the March meeting from Wappner Funeral Directors for approval of Ms. Victoria Devore to divide her apprenticeship time between two locations.

Mr. Jon Rettig made a motion for the Board to approve Victoria Devore to serve her apprenticeship time between two locations.

Motion by Jon Rettig, second by Marcella Boyd Cox

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, Jon Rettig and Adriana Sfalcin

Abstain: William Wappner

Mr. David Ingram informed that cemeteries selling preneed caskets report those sales to the Division of Real Estate and Professional Licensing, the state agency responsible for

regulating cemeteries in Ohio. Mr. Ingram stated that he recently met with the superintendent of the agency to review and discuss additional reporting requirements of preneed casket sales. It was agreed that preneed caskets are considered to be “funeral merchandise”, rather than “cemetery merchandise” as defined in a preneed cemetery merchandise and services contract, and are subject to all preneed laws under Ohio Revised Code (O.R.C.) Chapter 4717. Together, the agency and Mr. Ingram, drafted a letter to Ohio Cemetery Operators informing of an additional requirement to report preneed casket sales separately from preneed cemetery merchandise and services sales. Those reports would then be shared with the Ohio Board of Embalmers and Funeral Directors to ensure compliance with Ohio’s trusting laws for preneed casket sales. Mr. Ingram shared copy of the letter with the Board and requested approval of the letter.

Ms. Christie Limbert, board counsel, commented that caskets sold as a part of a preneed funeral contract are subject to the Board’s laws and rules within Chapter 4717.

Mr. Jon Rettig commented that there are many businesses other than cemeteries selling caskets without licenses or regulation.

Mr. Jon Rettig made a motion for the Board to approve the letter as presented.

Mr. Rettig asked Ms. Cathy Elkins of Funeral Consumer Alliance of Central Ohio, who was in attendance of the meeting, for a comment on the topic. Ms. Elkins did not offer comment.

Motion by Jon Rettig, second by Adriana Sfalcin

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Licensure

Mr. Jon Rettig read aloud the list of names to be licensed.

Mr. Thomas Taneff made a motion for the Board to approve the applications of individuals recommended for licensure.

Motion by Thomas Taneff, second by Edward Nurre

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Mr. Rettig stated the registrations and certifications listed were information only and

needed no motion.

Mr. Rettig read aloud the list of names of facilities to be licensed and facility name changes. He added a reminder that the board office was “offline” for a couple weeks due to the transition to the new eLicense system. Mr. Rettig also pointed out that Ms. Clark added the names of the new funeral director actually in charge of the funeral home in the list of facility name changes.

Mr. Edward Nurre made a motion for the Board to approve ratification of facility licenses as presented.

Motion by Edward Nurre, second by Adriana Sfalcin

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Continuing Education

Mr. Jon Rettig made a motion for the Board to approve the applications for continuing education programs as presented.

Motion by Jon Rettig, second by Thomas Taneff

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Mr. Thomas Taneff made a motion for the Board to approve the application for 50 Years of Licensure Exemption of the continuing education requirement as presented.

Motion by Thomas Taneff, second by Edward Nurre

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Mr. Rettig asked Mr. Danny Finfrock if the applicant for the exemption was designated a funeral director actually in charge of the funeral home. Mr. Finfrock replied that they were not.

Mr. Rettig asked Mr. Finfrock if there were any individual applications for out-of-state continuing education. Mr. Finfrock replied that there were none.

Compliance

Ms. Christie Limbert, board counsel, read aloud key terms of Settlement Agreement #1.

Mr. Edward Nurre asked Ms. Limbert if the violation was a first time offense. Ms. Limbert replied that it was.

Ms. Adriana Sfalcin asked if the fine had been paid. Ms. Limbert replied that the fine would be due within 60 days of ratification by the Board.

Mr. William Wappner made a motion for the Board to ratify Settlement Agreement #1.

Motion by William Wappner, second by Marcella Boyd Cox

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Post-meeting unredacted information: The settlement agreement was between the State of Ohio Board of Embalmers and Funeral Directors and Eric J. Williams, license no. DUAL.009481, of Cleveland, Ohio concerning compliance case no. 2017-1700061.

Ms. Christie Limbert stated that there will be less pages of the Attorney General Update next month.

Mr. Jon Rettig complimented Executive Director Ingram on his recent revisions to the Board Member Code of Conduct. He also provided a brief summary to new board member Adriana Sfalcin of recent misconduct at the West Virginia Board of Funeral Service Examiners.

Mr. William Wappner recommended that Section 5, Communication Protocols, (2) (b) be amended. He stated that the executive director of the board is responsible for delegating functions of the board staff, not the Board.

Mr. Rettig suggested board members review the revisions and offer additional recommendations, if any, for approval at the next regular meeting.

Ms. Marcella Boyd Cox thanked Mr. Ingram for the booklet and remarked that it helps identify expectations of board members clearly.

Mr. David Ingram shared results of submissions of the Annual Preneed Funeral Contract Report Form for 2018. He stated that some, as predicted, arrived to the board office without a postmark. Mr. Ingram asked the Board for opinion on how to proceed with acceptance of the reports.

Mr. William Wappner commented that a person who mails an item with the U.S. Post Office can reasonably expect the Post Office to postmark the item.

Mr. Danny Finfrock offered example of possible disciplinary action: a report received on April 2 (Monday after due date) without a postmark would not initiate a compliance case, but a report received significantly later than March 30 with a valid postmark may initiate a compliance case.

Mr. Edward Nurre questioned why the law changed. Mr. Jon Rettig responded that the change occurred in the latest passed budget bill.

Mr. Wappner commented that a person could postmark the item themselves, if inclined to.

Ms. Marcella Boyd Cox commented that the I.R.S. requires a tax return to be postmarked on or before the due date to be considered on time.

Ms. Christie Limbert commented that a person may alternatively ensure delivery of the report by mailing it with a Certificate of Mailing. She reminded that any hearings as a result of charges will be affected by the Board's opinion on this matter.

Mr. Rettig suggested the Board may offer leniency. Ms. Limbert cautioned that any decision will likely set precedence on future action.

Mr. Ingram suggested the Board offer a notice of cite and hearing (letter of instruction) without a disciplinary action.

Mr. Rettig questioned if offering a settlement agreement would be more appropriate. He remarked that the downside of a settlement would indicate disciplinary action.

Mr. Ingram shared that other states want to be aware of disciplinary actions on licenses.

Mr. Rettig declared his desire for the Board to be consistent on issues concerning annual preneed reporting.

Mr. Ingram suggested creating an outreach to licensees on first-time reporting.

Mr. Wappner questioned if the board office accepted reports by Federal Express, UPS, and other carriers. Mr. Finfrock responded that they are accepted and those carriers offer receipts of delivery.

Ms. Limbert recommended to cite each violation and decide on disciplinary action, if any, in each individual case.

Mr. Jon Rettig informed all that the Board would soon enter executive session. He communicated to the apprentices in attendance of the meeting that they may leave prior to adjournment of the meeting and still received credit for attending.

Mr. Brian Koch asked Ms. Linda Clark if apprentice quarterly reports were due at the same time. Ms. Clark replied that apprentices are provided schedules after certifying start of their apprenticeships detailing when reports are due.

Mr. Jon Rettig made a motion for the Board to enter executive session pursuant to Ohio Revised Code 121.22 (G) (1) to consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official...; (4) preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment; (5) matter required to be kept confidential by federal law or regulations or state statutes.

Motion by Jon Rettig, second by Thomas Taneff

Final Resolution: Motion Carries

Yes: Thomas Taneff, Edward Nurre, Marcella Boyd Cox, William Wappner, Jon Rettig and Adriana Sfalcin

Mr. Rettig invited Mr. David Ingram, executive director of the board, and Ms. Christie Limbert, board counsel, to join the Board in its executive session.

The Board entered executive session at 11:54 a.m.

Ms. Limbert exited the executive session at 12:20 p.m.

The Board reconvened to its regular meeting at 12:38 p.m.

3. Adjournment

Mr. Jon Rettig asked if there was any further business of the board for consideration. Mr. David Ingram replied that there was none.

Mr. Rettig thanked the board office staff and fellow board members for welcoming and assisting Ms. Adriana Sfalcin with her first meeting.

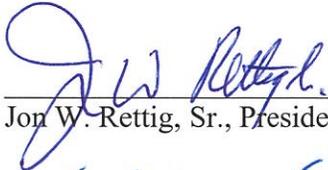

Mr. Thomas Taneff made a motion to adjourn the meeting.

Motion by Thomas Taneff, second by Edward Nurre
